MS Windows

The screenshot shows a Windows desktop environment. On the left, a file opening dialog box is open, displaying the path to a compressed folder: `...Humanistisk-tekn0_Ag...54926_6213.zip`. The dialog asks "What should Firefox do with this file?" and has options for "Open with Windows Stfinder (default)" and "Save File".

In the center, a table lists hand-in assignments. The table has columns for "Hand-in", "Grade", "Notes", "Feedback", and "Status". Each row includes a "Read in browser" button.

On the right, a download list is visible, showing three files: "Intern prøve i Praktisk Statistik (redsk_54892.zip)", "Bachelorprojekt på den Hu...Schultz_54926_6213(1).zip", and "Bachelorprojekt på den Hu...Im Schultz_54926_6213.zip". A red arrow points from the dialog box to the download list.

In the center, a file list is shown with various documents and folders, including "Iva1506", "Sdu1501", "Sdu1506", "779892_CICE final complete draft 201...", "Default-group-Mads-Schultz-Christo...", "Default-group-Ronnie...", "Ekstern mundtlig prøve", "JasminBeganovicOgAxelVilmun-09.0...", "LISBETH FONSS.pdf", "Mads.pdf", "NVivo10-Getting-Started-Guide.pdf", "RonnieJakobsen.pdf", "RUCs-IT-strategi.pdf", and "Studieordning for globale projekter.pdf". A "ZIP archive" dialog box is overlaid on the list, asking to "Unzip it?".

On the right, a document viewer displays a PDF file titled "Ekstern mundtlig prøve med udgangspunkt i Bjerg Lucca Skaaning_54938_6085". The document content is partially visible, showing text and a table structure. Red arrows indicate the flow of information from the file sharing dialog to the file list and then to the document viewer.
